Make up inspections can be conducted on any scheduled Saturday.

Sign-in table for the Saturday inspections is located at the East T bathrooms.

After you sign-in, please wait at your hangar for an inspector to arrive.

If you cannot make any of the scheduled appointments and would like Airport Operations to make entry into your hangar on your behalf, please contact Airport Administration at (310) 784-7913. To schedule inspections outside of the above dates please contact Community Risk Reduction Division (CRRD) at (310) 618-2973.

Mandatory hangar inspections are conducted on an annual fiscal cycle from July 1st to June 30th each year. Annual hangar inspections are required per City ordinance and the terms of your rental agreement. The inspections are general in nature and aimed at basic fire prevention techniques and safety precautions.

Safety Inspection Guidelines:

- 2A:10 B-C or larger fire extinguisher serviced or replaced within the year
- Limit storage of flammable liquid to 1 gallon; motor oil or combustible III-B liquids to 25 gallons
- Electrical wiring in good condition. Recommend unplugging electrical equipment when not in use
- No holes in walls
- Good housekeeping
